Stand with Israel – Share the Truth

The TORCH magazine, from Christians United for Israel UK, provides factual information and positive messages about Christian support for Israel and the Jewish people.

Israel is an amazing country, a vibrant democracy and a beacon of light in the midst of a turbulent Middle East. As Christians we see Israel as a living testimony to the faithfulness of God as declared in the Bible.

Many people know little about Israel apart from the biased news coverage, but CUFI seeks to counter the lies with the truth as well as inspire and encourage you in your support for Israel.

Please provide your **email** to receive weekly updates covering actions and attitudes towards Israel and the Jewish people, plus the online version of TORCH.

Please provide your **address** to receive the hard-copy of TORCH and other updates.

Please tick the box to give permission for CUFI to mail you
